

CHEF/CATERER NEEDED FOR CROOKED LAKE YACHT CLUB

The Crooked Lake Yacht Club is hiring a caterer for it's 2022 summer season and beyond. The Club is open to all options and are open to menus and serving style (made to order, serving line, buffet, etc.)

Dinners are currently served on Mondays & Thursdays throughout July and August and Thursdays only in June and September, but there may be some flexibility in the days. Since our true lakeside dining is so unusual and such a draw, additional lunch and evening dining options may be added in the future.

Major interior and exterior improvements will be made to the Clubhouse this fall and winter, including a new kitchen to be completed before next season that may be used for outside catering.

Presently attendance is 30 to 100 people for dinner.

There are several compensation options.
